Salam, Amir

I thought of your situation and a feeling came to me that she's married by now and, if you *really* love her, you must not break up her marriage. You must sacrifice her for now, in this temporary world, in order to have her forever in Jannat. This whole situation is a test for you from Allah Most High. Even if you did get her in this world, by hook or crook, things would not work out between you both and you'd regret it.

The same thing has happened to me; I know it's not easy to get over. But your loyalty is only to Allah. You will be rewarded if you pass the test.

My suggestion is you find someone else as beautiful and desirable as her to marry.

Keep in touch and ask further if you need to. I am with you, my Brother-in-Islam.

SALAM, DEAR BR CERMIN

PLEASE SEE THE FOLLOWING LINKS FOR HARAM E-NUMBERS IN FOOD. BUT THERE ARE SOME POINTS YOU SHOULD NOTE:

- 1. THE SAME E-NUMBER INGREDIENT COULD BE HALAL OR HARAM E.G. E471 IS USED IN BREAD AND IS HALAL IF VEGETARIAN BUT HARAM IF ANIMAL-DERIVED.**
- 2. ANIMAL-DERIVED E-NUMBERS ARE HALAL IF HALAL MEAT PRODUCTS ARE USED IN ISLAMIC COUNTRIES!**
- 3. BEST TO CHECK WITH COMPANIES DIRECTLY IF FOOD IS IMPORTED FROM NON-MUSLIM COUNTRIES E.G. CHECK WITH NESTLE IF NOT SURE OF SOMETHING AND NESTLE DOESN'T HAVE LOCAL FACTORY.**

Wa laikum salam, Br Haroon,

JazakAllah khair for your kind comments about my work on my Freewebs 1 Site.

After reading both of your dreams, my first thought was that, Masha'Allah, you are a Blessed person and Allah Most High is happy with you. This is evident from your seeing the 7 Mosques of Madinah and the Holy figures of Hazrat Usman [R.A.] and Umm-e-Kalsoom.

Seeing the old, dust road and the "their dresses that covered them from head / hair to toes (nothing visible) and one (01) male figure clad in medieval cloak even covering his head with a big (a man-high) wand / stick in his left hand that he was putting on ground regularly while moving ahead" I believe means that you are a proper Muslim, divinely guided to the *true* Islam.

Floating in the air means being correctly guided and attaining martyrdom [being *shaheed*] at the end of your life [and this is the quest of every true Muslim, including myself]!

Seeing the lions could also symbolize an enemy - meaning enmity of kafirs to Islam, or enmity of certain sects of Muslims towards each other.

[Interpretations based on IBN SIREEN'S [R.A.] DREAMS AND INTERPRETATIONS]

Many congratulations on your wonderful dream, dear brother-in-Islam, and you will, Insha'Allah, carry on this straight path right up to the time of death!

I have sent you the entire Holy Quran and Duas Attachments a few minutes ago in a separate Email.

Waiting Anxiously for Your Replies

Dream – A

I saw this dream about a month ago at the time of tahajjud. Aprox. Half to one hour before Fajr prayer. I am 29 years and 9 months old, male, Muslim. And only Allah

knows the best!

Be-ism Allah hir Rahman nir Rahim wa salat Ó salaam alaa Rasool-e hil karim!.

Assalam O' Aleykum Dr. Umar and thanks for your time and efforts.

"I found myself standing right in front (facing) of a big entrance (gate) of a formidable mosque through which I could see the place of qayaam & sajda of Imam (mimber o' mehrab) from where the prayer is led in a congregation. There was a feeling as if someone (invisible) was also standing with me. Please remember that I only saw reduced / partial portion of the mosque i.e. entrance and through it the "Imam's place". The rest of the mosque was NOT shown!

Next to it - on its right - were four (04) smaller mosques (their portions / entrances / glimpses) in a row and behind me there were three (03) smaller mosques / portions / entrances. I believe it were a total of 7 if not 8 mosques.

Between me and the five (05) mosques, in front of me, was a road that was not like today's roads rather it was just a passage on the dusty ground.

Now I was facing / standing in front of the bigger most attractive mosque while a voice very clearly told me that it's Quba Mosque and advised me gently to offer two (02) Nawafil and recite some Ayats (ayats were not told).

While I was thinking about moving inside or towards the mosque to enter in it I saw a big Lion marching on the passage between me & the mosques from my left to right without noticing me (but obviously I was looking at him and was very much conscious of his presence but it wasn't posing any threat to me). When he reached exactly between me & the mosque (on the passage) he looked towards the mosque and then went charging on some of the people who were coming from my right (but mosque's left) towards the mosque. He attacked on one of them and I think he hurt him!

Now, at the same time I thought that I should get inside the mosque and something assured me that the Lion shall NEVER dare entering the Quba mosque but I was a little precautionary naturally and I avoided offering nawafil at the entrance with a thought that the wild animal could attack from behind. So, I climbed up a high-standing (tall) stone just to keep an eye on the Lion's movements (who was disappeared some where or wasn't in my sight any more) and there I offered two nawafil but not at the entrance or inside Quba.”

I woke up around half an hour before Fajr.

In my childhood I heard about Quba mosque and I never knew there were Saba-Masajid in Medina. (seven mosques).

I searched on internet and amazingly I found all of the visuals almost the same with little or fewer differences.

I was very happy that Masha Allah, Allah subhana wa tala showed me a great dream that shows His affection on me. I mentioned it to two religious stalwarts of the vicinity and they greeted me but they differed on the interpretation of Lion!.

1. First one said it was probably a Divine Security / Guard to such places shown to you in form of a Lion (representing power) they referred to some instances whereby Lions protected Islamic dignitaries (even Prophets (AS)) at times by the grace of Almighty Allah.

2. The second one took Lion as a hurdle towards my religious swift progress and prayed that may Allah remove this hurdle from my way. He also termed the dream very auspicious for me, alhamdulillah. However, I informed him that the Lion was apparently not posing any threat to me but obviously presence of a freely moving wild lion around could make any one over-precautious so this is what I did naturally thinking that during my nawafil it could (God forbidding) attack from behind in the worst case. However, it

was a very strong feeling in my dream that this Lion will NOT enter in any of the mosques.

Dream – B

I saw this dream prior to Dream – A but I do not remember its approx. time may be 2-3 months old and I wasn't sure that what I saw was actually what it was meant to be seen i.e. I am not that pious or good-deed doer!

“I saw as if I was flying in a desert in pursuit of someone / something and then from a higher place in heaven (sky) I see today's Masjid-e-Nabvi with No City (Medina) around. I was say around a distance of 1-2 miles. At that point I am poised on a height (I didn't see my body flying in the air rather it was as if in a movie or a camera – you see a scene from above).

From that poised position I saw a little convoy to three (03) people moving towards Masjid-e-Nabvi. Two (02) of them were apparently women (females) as I guessed from their dresses that covered them from head / hair to toes (nothing visible) and one (01) male figure clad in medieval cloak even covering his head with a big (a man-high) wand / stick in his left hand that he was putting on ground regularly while moving ahead. The colors of their dresses that I remember was fading yellow, a shade of brown mostly. I was looking at their backs.

Suddenly, the Man stopped and looked back towards me.

(May Allah let me narrate it correctly – amen) Out of the veil the man had a triangular beautiful face with a beautifully grown stylish (not very big at all) beard – probably the color of the beard was the blend of blonde & brown. His facial features were strikingly very attractive and not like common Arab faces. Especially he had very beautiful and deep eyes. He looked back as if on me.

At that time I asked as if from myself – who are these people?

I heard my own wife's voice while she was NOT with me in the dream.

“One of the women is Umm-e-Kulsoom (RA) and the Man's name begins with letter “U”!

I woke up very happy and blessed as the first thought that came in my mind was that as if He was third Right-guided Caliph Uthman bin Affan (RA). But I was reluctant that how can I – who can not remember or refer to any good deed of his own – dream such great dignitaries. But I thank Allah subhaná wa tala for His blessings.

Dear Dr. Umar,

Please, I need both your comments and prayers on them ASAP - in details.

And I pray for your life, health, and success in hereafter as well.

Stay safe,

Warm regards,

Assalamo Alaykum wa Rahmat Allah.

Wa laikum salam, Zainab

Thank you for contacting me and for your comments about my work on

my Website.

The issue you raise – of making my Site available to the Urdu-speaking public- is very important and someone else said the same thing earlier this year. You're both correct – my Site will be made available to millions of potential new Visitors if it can be comprehended in the Urdu language.

There is a widget [computer software] on sale I believe that will translate all the Site into Urdu in one go if it is clicked. I tried to download it a few days ago and ran into severe technical problems! If I can obtain this widget and make it an inherent feature of my Site, then it will not be necessary for you to have to translate individual pages.

But I may need help in getting new material translated into the Urdu from English. How old are you? What is your education? Are you from Pakistan? Do you intend charging for any work you do? If so, what will be the rate you charge?

Email me back with this further information and we can make plans to expand the Site.
